

# COMMUNITY TEHILLIM LIST

Updated:  
07/20/2017

The Tehillim Squad is group of women that were organized in the 80s and recite tehillim daily on behalf of our community's cholim. The squad is looking for more volunteers to join the 75 women currently serving! Please contact Aarah Aizman for more info and to have a chapter assigned to you.

To add a name to the list, please email it to [aarahaizman@hotmail.com](mailto:aarahaizman@hotmail.com). If you do not receive a confirmation, please call or text Aarah to make sure the email went through. Allow 24 hours. Names are kept on for two weeks unless notified otherwise. If you are uncertain if a person should be placed/remain on the list, please consult your Rabbi.

*Policy reminder: For names that go beyond the realm of the TC community, we hope that these people have a Tehillim network within their local community to be cared for in this way, if not - our community is happy to take them in and personally recite their names among our community names. It is limited in this way to help ensure that the full list of names is well cared for and recited.*

Please consult Rabbi if you are uncertain about adding a name.

On behalf of those who are recovering and need your prayers, thank you!
